INTERNSHIPS

- Salesforce Administrator Trailmax - Admin Privilage, Permission sets, Roles (Virtual)
- Salesforce Developer - Profiles, Lookup Relations, Assignments (Virtual)
- Innorve - Microsoft PowerApps, Automate, Dataverse (Virtual)

CERTIFICATIONS

- Salesforce Developer and Administrator Virtual Internship Certifications. - Trailhead Salesforce
- Generative AI and Fundamentals - Coursera
- UiPath Academy Automation Explorer - UiPath
- Datastructure and Algorithms using Java - NPTEL
- Postman Classroom Program - Postman
- Programming in C - Linkedin Learning
- Java Programming - Infosys SpringBoard

ACHIEVEMENTS

- Earned 100 days Coding Challenge badge from CodeChef from Consistent Programming
- Earned Salesforce Administrative and Apex Badges from Salesforce Trailhead
- Badges from Infosys (Computer Networks) , LinkedIn (Programming C)
- Coursera Badges on - Generative Ai, Responsible AI , LLM Design
- UiPath Badges - RPA Developer Foundation Automation

ACTIVITIES

- Workshop for Campus Students on UiPath Automation
- Geo - Carnival : A Event conducted from our team with Tech Quest and API Technologies.
- Beach Clean : Beach cleaning at places around manglore from college.
- Blood Camp : Volunteer at Blood donation camp from NSS.
- Hackathon : Participated in Techahackthon, Wartex, Infothon, Techgeek etc

PROFILES

- Github : Projects Management.
- Codechef : Problem Solving Challenges.
- Salesforce : Hands on Challenges.
- UiPath : RPA Automation
- StackOverflow : Developers Community

INTERESTS

- Reading Book - Self help, Novels
- Design - Logos, Art
- Tech Gadgets and Devices
- Markets and Finance

LANGUAGES

- English (Professional)
- Kannada (Native)
- Hindi (Limited)
